

Keep your vehicle looking as good as new!

Use the products the experts use to keep your vehicle looking good both inside and out. Take a closer look!

EXTERIOR CLEANERS

Wash Wax Concentrate
Part # 10953203

This luxurious medium foaming biodegradable shampoo not only cleans but also provides high beading wax protection and reduces drying time. Ideal for all paint finishes.

Bug Remover
Part # 89020339

Quickly dissolves bugs, tree sap and bird droppings from all glass, metal and plastic or painted exterior vehicle surfaces. Also eliminates problem deposits that regular car wash detergents cannot remove.

Multi-Wash
Part # 993279

Say good-bye to dulling film, streaks and soap bubbles. This concentrated all-purpose cleaner works wonders on automotive exteriors, painted surfaces, vinyl and plastic interiors. Ideal for general purpose use in your shop or at home.

Glass Cleaner
Part # 992727

Get your vehicle's glass to shine with ACDelco Glass Cleaner. Specifically formulated for cleaning windows in automobiles, trucks, airplanes and boats, it is also an excellent household window and glass cleaner.

Wheel Brite
Part # 10953202

A powerful cleaner, which quickly dissolves hard-to-reach grease and grime. Safe for custom, clear coat, painted and aluminum wheels.

INTERIOR CLEANERS

Red and Gold Cleaner for Cloth and Carpet

Part # 88861416 • Part # 88861415

Working double-duty, the Red Cleaner is designed to safely remove ink, grease and oil stains while the Gold Cleaner safely removes protein-based stains. Ideal for cloth and carpet.

Leather, Vinyl & Plastic Cleaner

Part # 88861413

Protect and condition while you clean. This ACDelco product cleans vinyl, plastic, roof material and interior carpets, as well as leather and cloth trim. It also helps to protect and condition leather, vinyl and plastic surfaces from future stains.

POLISHES

Jet Glaze

Part # 10952434

Provide year round luster and protection to all your auto finishes, including base coat/clear coat and chrome. Also protects fiberglass from fallout, tree sap, bird droppings, tar, salt, gasoline, dust and detergent.

Swirl Free Polish

Part # 88900046

Restore that glistening 'new paint' shine with Swirl Free Polish. It eliminates swirl marks fast and is specially blended with cleaning power to effectively remove fine scratches. This smooth, fast application and easy to wipe off product is safe on every paint finish including clear coats.

OTHER ESSENTIALS

Wash Mitt

A fine wash mitt made from heavy duty, long wearing Lorene-Dyne® fibres. This highly efficient, scratchproof wash mitt carries an abundance of water and withstands heat, gasoline and detergents.

Water Sprite® Synthetic Chamois

The famous Water Sprite® gently cleans and dries automotive surfaces spot free and lint free. It is not affected by mildew or common household chemicals. Size 18" X 21".
